Spacio is one of BPTP's most popular and well-appreciated projects. Each apartment in this project has been designed to ensure the comfort of every member of the family. Aesthetically and efficiently planned, these homes are spacious and contemporary. The reason for its popularity is largely its excellent location and superior connectivity. Spacio is in close proximity to NH-8 and the upcoming 150 metre wide Northern Periphery Road (Dwarka Expressway) which is slated to be the country's widest expressway. The project's superior location ensures excellent connectivity and access to the International Airport, Dwarka and all the focal points of the National Capital Region.

The project offers a great value proposition both, in terms of a residence and investment. The community comes equipped with all basic amenities needed for a modern lifestyle like 100% power back-up and round-the-clock security. Spacio's residents will have access to a club, swimming pool and gymnasium to ensure maximum comfort and multiple recreational options.
